Hannah Eckhardt served as your 2023-2024 State Secretary. She now attends Saint Louis University majoring in International Studies on the Pre-Law track! Her favorite memory is NLC 2024 in Orlando. She was excited to compete on a national level and meet so many members from other states! She advises members to take advantage of all the opportunities FBLA gives them. Try new events, connect with other members, run for officer positions, and put yourself out there. The more you put into this organization, the more you get out of it!
